RE: MOTION TO EXTEND STAY OF ALL DEADLINES
OBD SENSOR SOLUTIONS, LLC. v. LEMONADE, INC. & METROMILE, INC.
CIVIL ACTION No. 1:24-cv-7557-AKH

Dear Judge Hellerstein:

This firm represents Plaintiff OBD Sensor Solutions, LLC (“Plaintiff”) in the above-captioned action. Plaintiff and Defendants Lemonade, Inc. and Metromile, Inc. (together, the “Parties”) requested a stay of all deadlines because they had reached a settlement in principle (Dkt. No. 24), and this Court agreed, setting January 24, 2025 as its expiration date (Dkt. No. 25). On behalf of the Parties, Plaintiff requests a 21-day extension of the stay (up to and including February 14, 2025) to allow for negotiations to be finalized and for the Parties to file a Stipulation of Dismissal. The Parties aver that, because they have made substantial progress toward a final resolution and believe additional time will allow their negotiations to be completed without intervention of the Court, good cause supports this request.

We appreciate the Court’s attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "James F. McDonough, III".
